ERIN·EYES

CLARE VALLEY

Steve Wiblin's 2016 Erin Eyes
'Pride of Erin' Reserve Riesling

My second Reserve Riesling is a worthy successor to my first and all due to the weather.

From the same vineyard in the Penwortham micro climate the fruit is simply outstanding.

Aroma - If it didn't entice you to drink the wine you could just sit and take in the aromas of citrus, peach, musk and rose petals.

Palate - A very tight palate that will only drink better by Christmas and onwards. Lime and grapefruit softened by some peach and mango notes. The fruit is so powerful the Glucose and Fructose only needs to be low. The natural acid lifts the finish of this wine.

Drink at any time with or without food.
