## CLARE VALLEY

Steve Wiblin's 2017 Erin Eyes  
'Pride of Erin' Reserve Riesling

The Clare Valley has always been a consistently high quality wine grape growing region but the number of outstanding consecutive vintages of great Rieslings just keeps coming. 2017 with high winter rain and long dry summer gave us ideal growing conditions.

This wine is from a single vineyard in Sevenhill.

**Aroma** - Wonderfully lifted fruit notes of citrus and peach with lovely floral musk and spring blossoms.

**Palate** - As all good Reserve Rieslings should be, this wine is as tight as new elastic. Lemon, Granny Smith apples and orange zest flavours softened by peach and nectarine hints.

The high natural acid lifts these flavours and helps the wine dance on your tongue.

Having had a glass last night with Bugs and baby octopus can't think of having it with anything better but any seafood will do!

<b>Alc/Vol</b>	11.7%
